Project Share Launches Food Co-op to Fight Hunger in Florida

Please support Flagler Beach Rotary Club's Family Food Co-op program to help desperate families in the rural communities of Pierson and Seville.

Eighty-five percent of the children who attend Pierson Elementary School live below the Federal Poverty Line. Children literally go to bed hungry since the area has been hard hit by the economic downturn, high rates of unemployment and the decimation of the fern crop caused by the cold weather (Pierson is known as "The Fern Capital of the World").

Project Share provides holiday toys for children in Flagler County, Seville and Pierson. We have expanded to provide groceries because children are literally going to bed hungry in our own back yard.

Family Food Co-op Founding

Partners: Flagler Beach Rotary Club, Santa Maria del Mar Catholic Church of Flagler Beach, Pierson Elementary School.

Why a Co-op? Our goal is to create a program in which families in need not only receive food, but help the program by volunteering their time and donating whatever they can.

Donations Needed: A donation of \$30 provides a box of food that feeds a family of four for one week. The Family Food Co-op will distribute the boxes the last Saturday of every month. Families in need are identified through the school and careful oversight is provided by Pierson Elementary School and Family Food Co-op partners.
